

New Zealand *the right choice*

The qualifications listed in this leaflet do not require assessment by the New Zealand Qualifications Authority (NZQA). Qualifications will qualify for points on the basis of their assessed position on the Register (see SM14.15 of the Skilled Migrant Category).

The List of Recognised Qualifications is for immigration purposes only. The inclusion of a qualification on this list does not have bearing on the status of the qualification for professional registration, further study, salary or employment purposes.

All teaching qualifications and degrees in Education will need to be assessed by the NZQA for teacher registration and salary purposes, should an applicant wish to enter the teaching profession within New Zealand.
