Note 1: Qualifications listed (unless an exception is stated) are New Zealand awarded qualifications on the New Zealand Qualifications Framework (NZQF). Overseas qualifications must be comparable to the standard of the New Zealand qualification listed. Overseas qualifications therefore require an International Qualification Assessment (IQA) from the New Zealand Qualifications Authority stating the comparable NZQF qualification.

Note 2: Where post-qualification work experience is included as a requirement it applies to all qualifications listed for the occupation (unless otherwise indicated).

Note 3: Where a Washington Accord accredited undergraduate engineering degree is a requirement, the engineering degree has to be awarded from or after the date the country became a signatory, and must be on the list of accredited programmes of the signatory country. To determine if an engineering degree awarded is Washington Accord accredited, please refer to the links from the International Engineering Alliance on their website: <http://www.ieagreements.org/Washington-Accord/Accredited.cfm>.

Where a Sydney Accord accredited undergraduate engineering degree is a requirement, the engineering technology degree has to be awarded from or after the date the country became a signatory, and must be on the list of accredited programmes of the signatory country. To determine if an engineering technology degree awarded is Sydney Accord accredited, please refer to the links from the International Engineering Alliance on their website: <http://www.ieagreements.org/Sydney/signatories.cfm>.

Note 4: A letter, certificate or registration from the Institution of Professional Engineers New Zealand Incorporated (IPENZ), as Engineering New Zealand was formerly known, may be used to meet the requirement for a letter, certificate or registration from Engineering New Zealand. A letter from IPENZ may also be used to meet an applicable requirement instead of a letter from IT Professionals New Zealand. IPENZ's name changed to Engineering New Zealand in October 2017.
